2014-15 BIKE MAP

Longmont Colorado

The City of Longmont experienced major flooding in certain areas of the City September 11-15, 2013. This event resulted in damages that will take time and effort to repair and have lasting effects on our community. The flood damaged or destroyed much of Longmont's infrastructure, including parks, greenways, and trails. Reconstruction is ongoing, and this map shows parks and trails open at the time of printing. Please check the City's website for updates.
