

IT'S EASY TO BE SUSTAINABLE!

WATERWISE YOUR BUSINESS

Programs, seminars, tips and rebates available to Longmont businesses

CONSERVATION TIPS

- Conduct a water usage evaluation
- Check for leaks – indoors and outdoors
- Upgrade old toilets and urinals
- Upgrade indoor fixtures (e.g., aerators, pre-rinse spray valves, showerheads)
- Conduct an outdoor sprinkler inspection
- Plant waterwise landscaping that is made for Colorado summers
- Maintenance matters – hire contractors that understand waterwise landscapes
- Improve cooling tower efficiency
