

Grant Proposal for Renaissance Community Neighborhood  
Improvement Program

# Serving the community

Our Goal: To increase a sense of community through more visible and tangible communication methods, by establishing message boards and communication stations throughout the neighborhood.

# Who we are

The Renaissance Community Association is a community of 932 residences working together with NBCG to increase the quality of life in our neighborhood through community driven improvement projects. By working in conjunction with our neighbors, we identify the community's needs, opportunities, and assets to implement preferred solutions.

# What we do

## Community Inclusivity

In partnership with the City of Longmont, we strive to empower our residents and improve community involvement.

## Neighborhood Solutions

We work towards collectively implementing community driven solutions, and increase the quality, sustainability and resiliency of our community.

## Environmental Stewards

Facilitating community meetings to develop and deploy environmental and economically sustainable and utilitarian solutions in our common spaces.

# Our impact

**932**

Homes

**30**

Acres of Green  
space

**20**

percent of our  
community are rental  
properteries

**5**

Community Social  
Events Annually

Strong communities are critical because they're often an important source of social connection and a sense of belonging. Participating in a community bonded by attitudes, values, and goals is an essential ingredient to enjoying a fulfilling life.

# The opportunity

**01**

Deploying three communication stations and ten flyer-bulletin boards. In order to improve our communications of meetings and events.

**02**

To assist in ensuring all of our residents are informed of community news and to increase resident involvement.

**03**

A way to gather community resources in helping drive solutions that improve the quality, sustainability, and resilience of the Renaissance Community.

# Funding

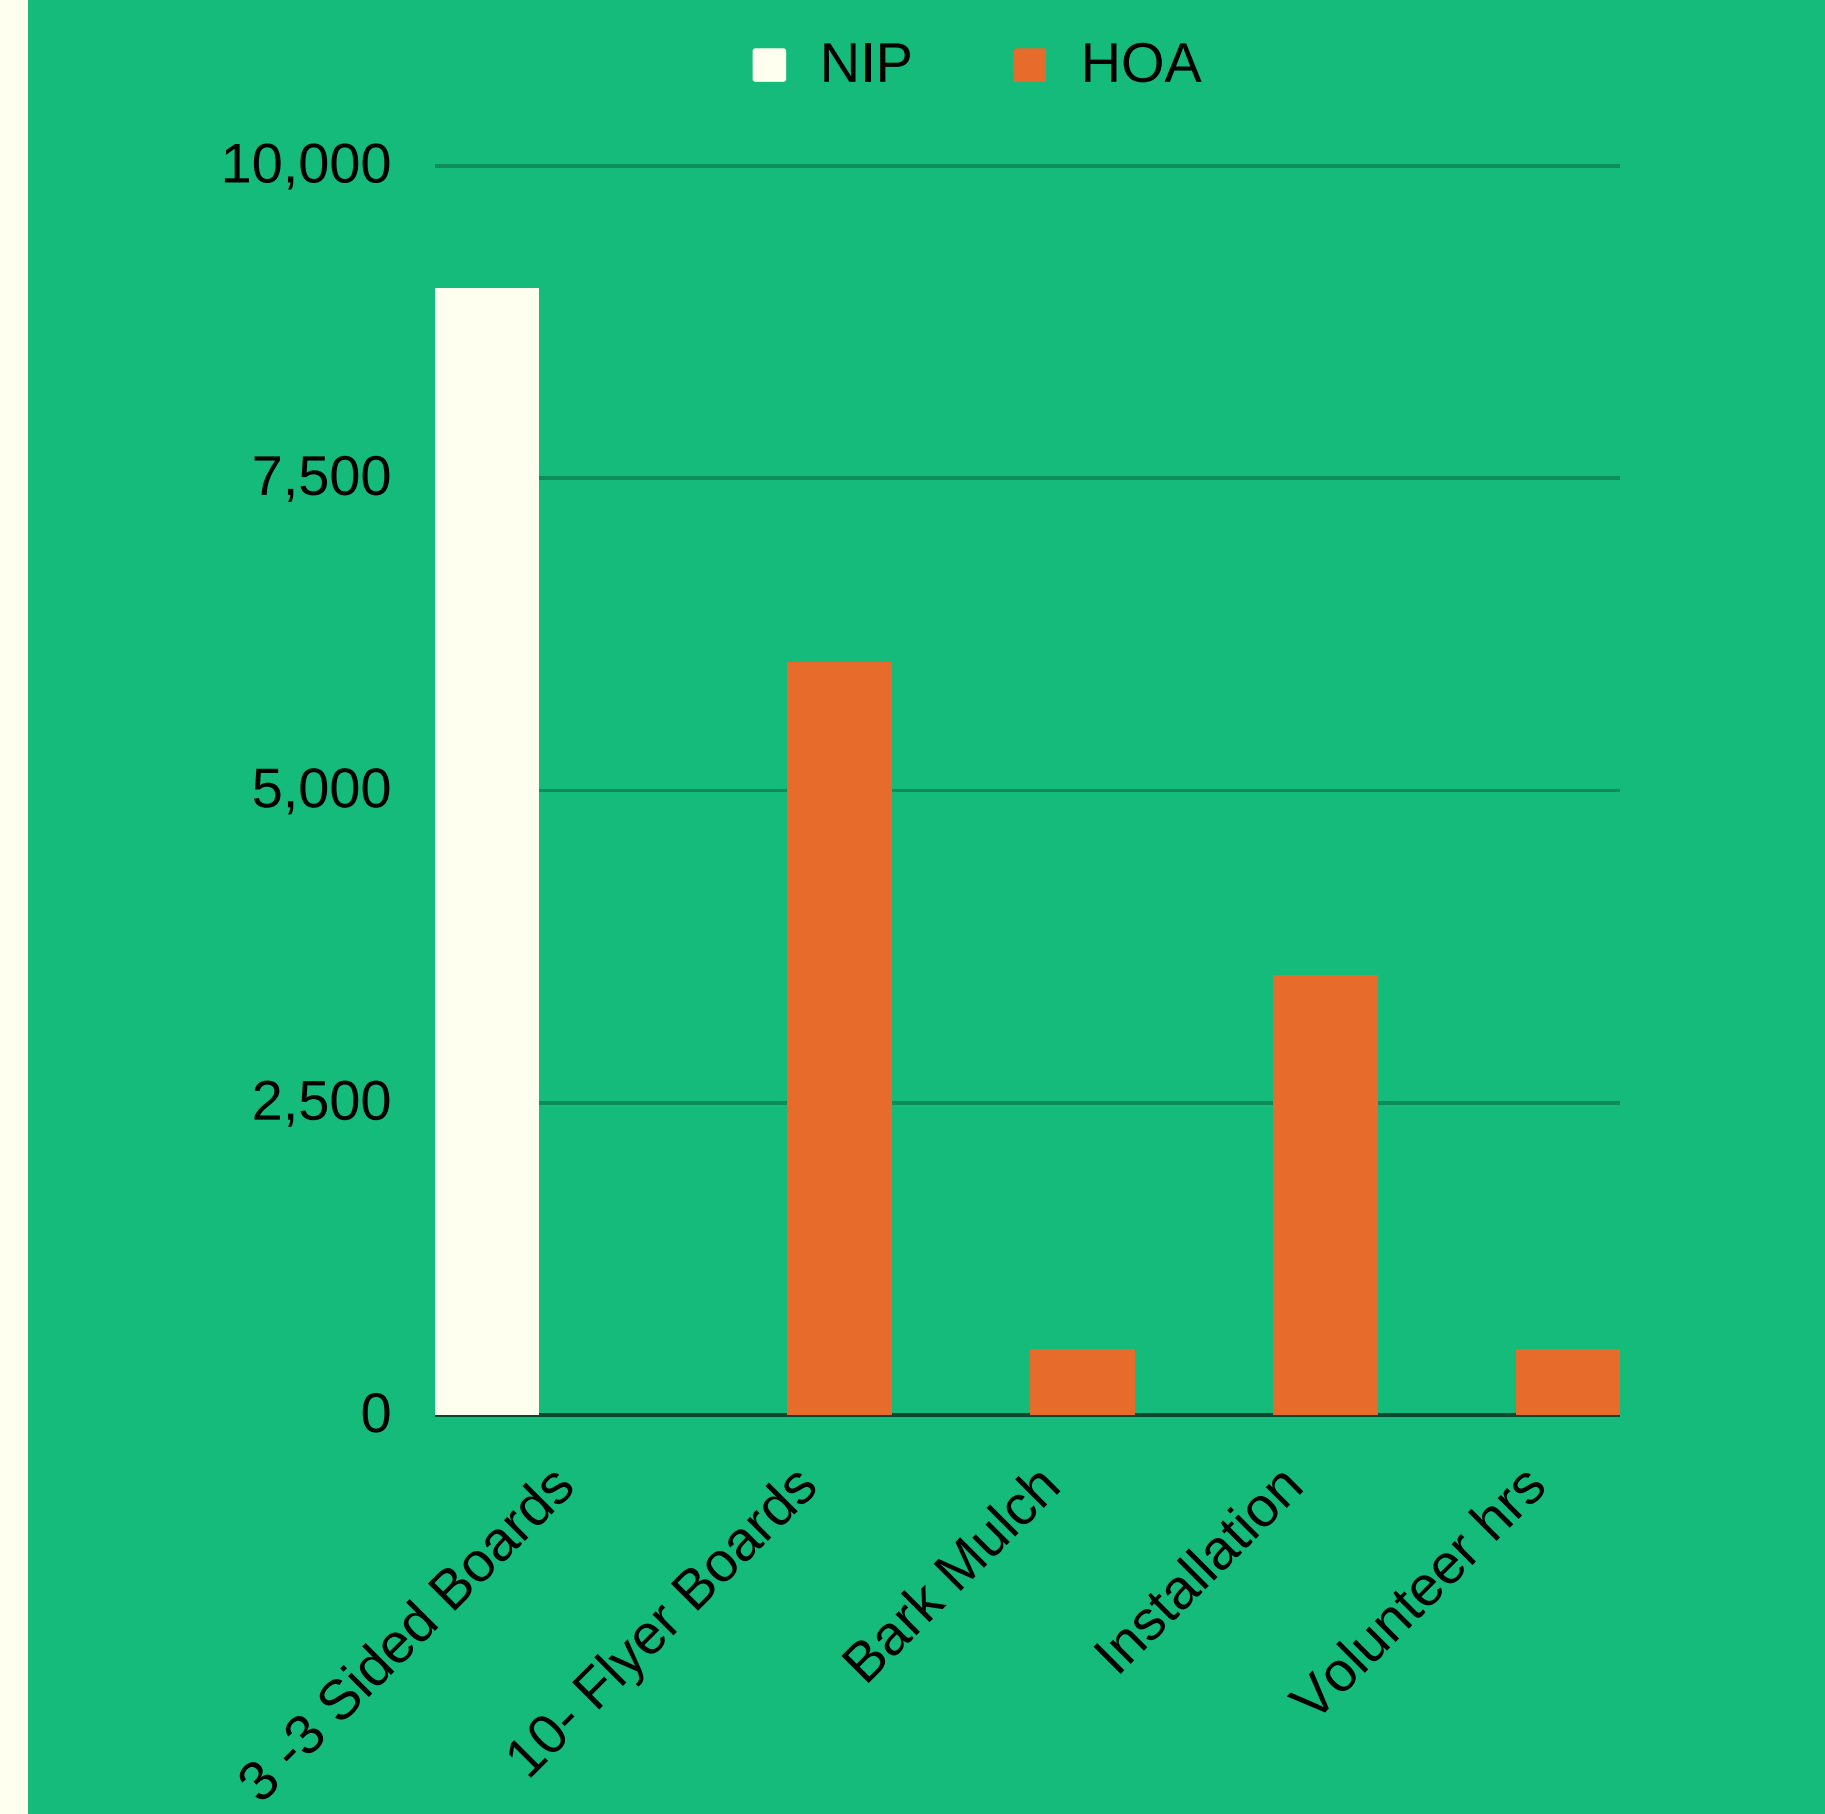

The Proposed Budget includes the HOA Contributions as well as the NIP Grant.

Total Cost - \$19,500

Volunteer Cost - \$500

HOA Contribution - \$10,500

**NBCG NIP Request - \$9,000**

# Communication Stations & Bulletin Boards

- Made of Recycled Plastic from Milk Jugs
- Eco Friendly
- 50 Years Guaranteed Against Breakage
- Securable
- Installed in cement footings surrounded by bark mulch

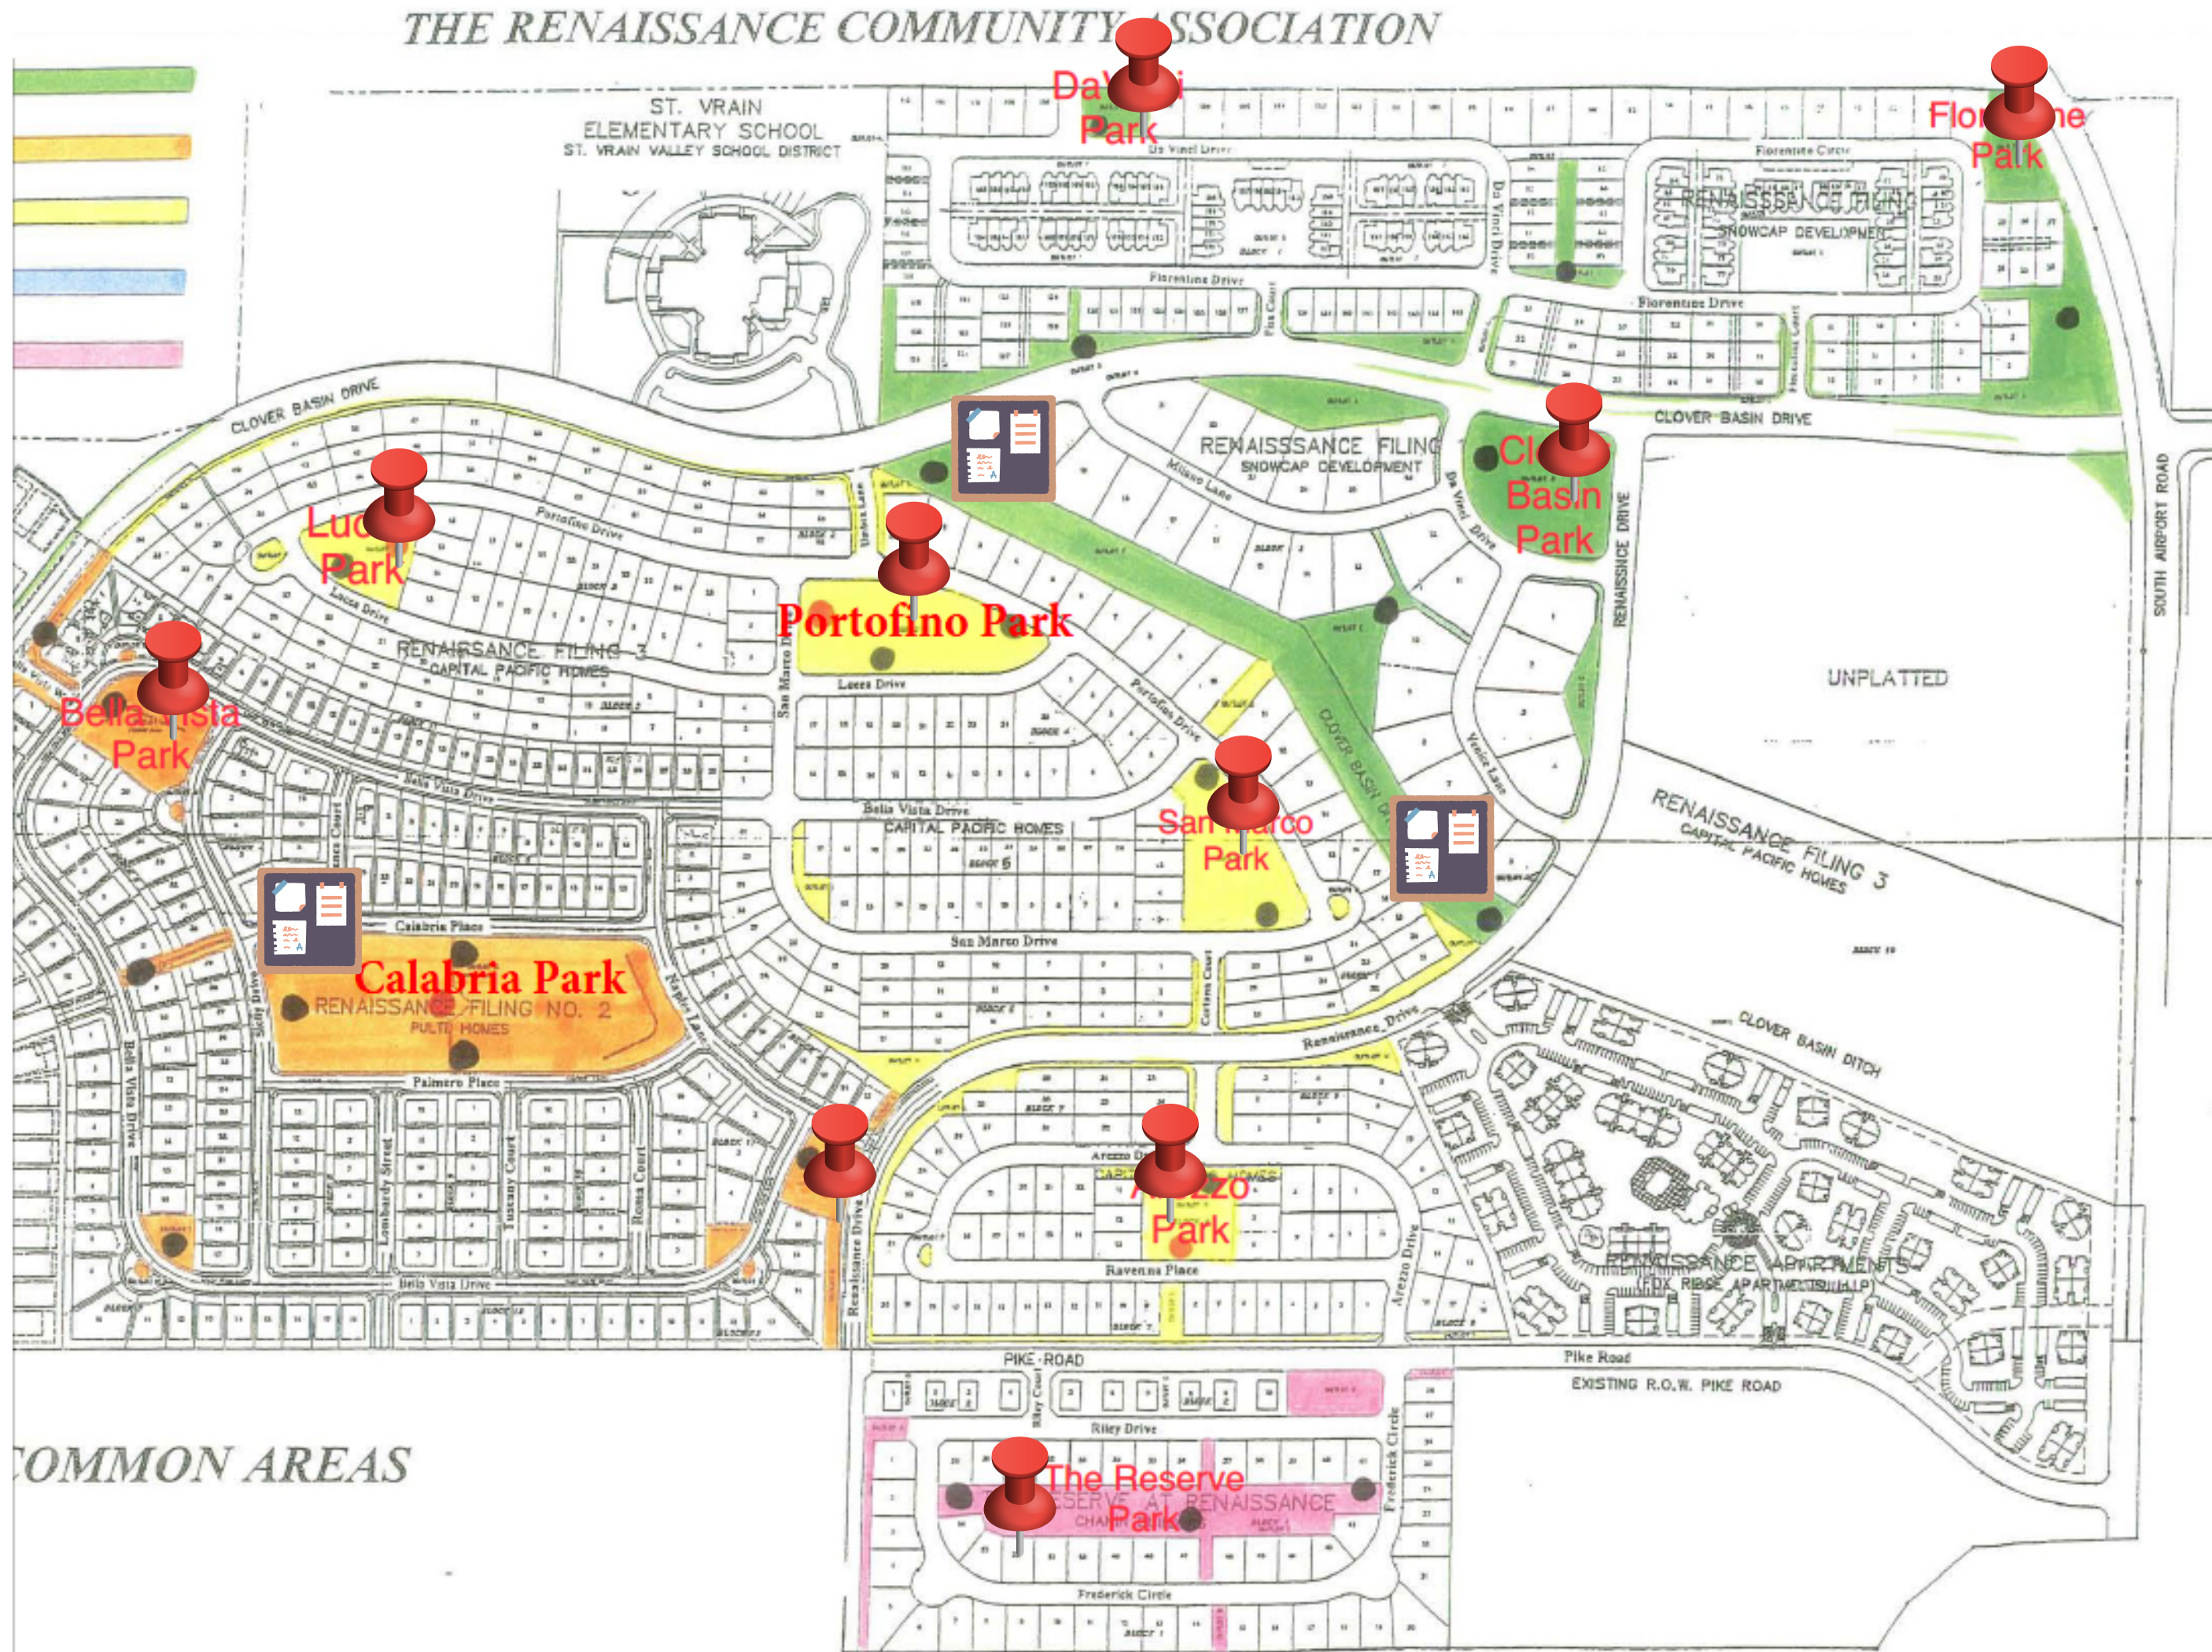

The three Communication Stations will be installed at the larger Calabria Park and book-end the community's central walking path.

While the 10 Flyer sized bulletin boards will be installed at the smaller parks.

# Measuring impact

This section includes details such as success indicators and how we will collect data to measure our impact.

**Key Indicator**

Resident Participation

Event Attendance

Surveys & Feedback

**Activity / Project**

More volunteer participation for our committees and events.

Attendance and event participation.

BOD & NBCG surveys and verbal feedback

---

# IN SUMMARY

---

## Neighborhood Need:

- Residents have requested bulletin boards at each BOD Meeting or Community Event.
- Many residents prefer not to utilize social media platforms like Facebook or NextDoor.
- No way to reach renters via email.

## Neighborhood Participation :

- Formal Survey
- Verbal Feedback
- The BOD, NBCG, and Community Committees, based on feedback from residents, selected the Bulletin Board solution.

## Sustainable Solution:

- Made of recycled milk jugs - will not require painting.
- 50 Yr guarantee against breakage.
- Eliminates the need to purchase non recyclable yard sale signs.

## Neighborhood Contribution:

- The HOA is contributing 55% of the total cost of the project.

## Public Benefit:

- The Bulletin Boards will communicate events, offer volunteer opportunities, and provide a safe space for ALL residents.
- Both homeowners and renters alike will be able to obtain, collaborate, and share information.
