GETTING INVOLVED: PARTICIPATION & REGISTRATION INFORMATION

Welcome to The Longmont Senior Center and Longmont Senior Services

Many new and some repeated activities, events, trips, and services are offered each quarter. Many activities require registration and a fee to be paid. You will see a Registration # listed with the activity and these are in various sections throughout the catalog. Resources and Supportive Services are detailed in the Resource Guide located in the center of each catalog. Registration kickoff dates and information are located below.

PARTICIPATION IN GENERAL:

- **There is no membership fee** to participate in activities or receive services from the Division of Senior Services.
- **Adults 55+ are first priority**; however, people under 55 may participate in certain activities if space is available and/or in certain circumstances. Contact the front desk for details.
- **Caregivers of older adults** are welcome to attend programs in order to provide assistance to someone. In that case, please inform our front desk when the care recipient registers. If a caregiver wishes to participate in the program him/herself, then the caregiver should also register and pay for the program.
- **Wait Lists:** Wait Lists are maintained for activities requiring registration. Staff process all cancellations and waitlisted participants are given first priority to fill openings. If the activity is occurring the next day or next business day, staff process the waitlist quickly and cannot wait for call backs.
- **Special Requests & Reasonable Accommodations:**
 - **Senior Services activities** are geared toward independent adults who are able to manage their own care, decision making, and safety. Staff and leaders cannot provide supervision of individuals.
 - Please note that personal or individual listening devices are available for activities occurring in the Senior Center, including telecoil neck loops.
 - **DISABILITY ACCOMMODATIONS:** In compliance with the Americans with Disabilities Act (ADA), we will do our best to make reasonable accommodations to ensure our activities are accessible for the widest range of participants. Please be specific with the accommodation you need. Please let us know at the time of registration or prior to your planned participation in a program that does not require registration. The earlier we know, the better we may be able to accommodate your request. Non-ADA requests may be made at the time of registration as well and are considered on a case-by-case basis. We try our best to accommodate each request received; however, please note that requests are not guaranteed.

Program/Activity Refunds

The Longmont Senior Services Center aims to provide customers with complete program satisfaction. We understand that from time-to-time scheduling changes and special circumstances require customers to cancel or change their planned activities. In an effort to maximize space in each offered activity, we have established the following refund policies. Please review them carefully prior to enrolling for a class or program. Thank you for your interest in our offerings and we look forward to providing our customers with an enjoyable recreation experience.

If the Longmont Senior Center Cancels a Class or Program Full refunds are made for any program/activity canceled by the Longmont Senior Center before the starting date. A refund will be provided as account credit in RecTrac to be utilized toward a future offering of the customer's choice, and all refunds will be provided within 2-4 weeks of the class cancellation. Please note: Refunds for class cancellations due to weather or other unforeseen circumstances will be handled on a case-by-case basis and may include class credits, coupons, class extensions, and/or re-scheduling.

If a Customer Withdraws from a Class/Activity

If customers need to withdraw from an offering, please let our team know as soon as possible by contacting our Front Desk at 303-651-8411. This will allow for an additional space for someone else to register from our waitlist.

Refunds/Account Credit will be Provided Based on the Following Situations:

Cancellation request is made prior to the designated registration deadline.

- Full refund/credit will be provided to the payer's RecTrac account.

Cancellation request is made after the registration deadline but prior to the first/scheduled meeting date for the activity or program.

- 50% refund/credit will be provided to payer's RecTrac account.

Cancellation request is made after or on the activity or program start date.

- No refund/credit will be provided.
- Prorated refunds may be provided after the start/scheduled date of an offering if participant is unable to attend due to an unplanned medical or life event. Please contact our team as soon as possible under these circumstances.

No Show Policy Due to the popularity of our offerings, customers not showing up ("no-show") for a class or program they have registered for takes a space away from someone else who could have attended these offerings from waitlists. If a customer registers for a program and does not contact the Longmont Senior Center within 24-hours of the designated offering start date/time, this is considered a no-show. No-show registrations will not be provided refunds or account credit. Additionally, 3 no-shows in a calendar year (January 1-December 31, annually) will result in registration suspension for 4-months, and the customer will not be able to register for any offerings during their suspension timeframe.

Additional Considerations

- A 10% transaction fee will be applied when payer requests a refund via check.
- The Longmont Senior Center is unable to provide cash refunds. For programs or activities purchased in cash a refund to the payer's RecTrac account or check will be provided.
- Refunds are not provided for merchandise that have already been given to the customer or specifically ordered for he/she/them.
- Please note that not all offerings are eligible for refunds.
- Programs or activities costing less than \$10 will be refunded to the payer's account for credit toward a future program.
- Some offerings may have specific refund policies that may require additional refund fees or earlier cancellation schedules.
- The City of Longmont and Longmont Senior Services Center reserve the right to change refund policies at any time.
- Please note if space allows beyond designated registration deadlines additional late registrants may be considered. Please contact our Front Desk at 303-651-8411 for questions or to register.

Trip Registration Lottery (for 1st day of trip registration only) In fairness to all and to eliminate the need to arrive early, a lottery format for the first day of trip registration is used. Numbers are distributed to participants as they arrive and corresponding numbers are placed in a tumbler and drawn randomly throughout the assigned time frame. **When your number is called, you will have the opportunity to register for trips for yourself and one other eligible person.**

An activity registration form is required, one form per person. After the trip registration lottery, you may register for trips at the front desk, over the phone, or online. *The quickest way to complete the registration process is to pay by cash or check. Hike registration will be utilizing our new e-lottery process with the hike submission window. Fall hike submission sheets can be turned in to our front desk from August 6 - 20th with communication to follow to registered/wait-listed hikers by the end of the day on Friday, August 23rd via email. You can register online or over the phone beginning on August 26th.*

Modes of transit: minibuses, RTD buses, and coach buses are used and depend upon cost, size of group, and time and distance traveled, as well as availability of buses. We always try to be cost efficient and comfort oriented.

For special accommodations for wheelchair or scooters and service animal on a trip, advance notice is necessary. Please contact the front desk 303-651-8411.

Departure times are definite. We do not wait for participants past the designated departure time either from the Senior Center or from the venue.

Return times are approximate. We do our best to determine time; however, we never know when delays may occur.

Bus seat assignments are made at the time of check-in. Participants draw a seat number for shared seating (yourself and travel companion). These assigned seats are used going to and from the trip destination. For extended trips, you will draw new seats each day. We try our best to accommodate received seating requests; however, please note that requests are not guaranteed due to the high volume of our participants.

Cancellations must be received by the dates printed in **The GO** if a full credit or refund is to be given. After that date, a partial credit or refund may be issued only if the spot is resold. Cancellations must be processed through Senior Services. When possible, the staff will attempt to resell your spot to a person on the waiting list, or if it is last minute and the Senior Center is closed, you may give your ticket to a person of your choice. Please call 303-651-8411 if you do so.

Pickup and return Location: Lashley Street Station; 1200 Lashley St. (unless otherwise specified at trip registration). Please park your vehicle in the center aisle closest to the north end of the parking lot. Check-in will take place in the White Oak/Sunflower rooms, with doors opening at the designated check-in time. If accommodations are needed due to public or scheduled transportation, please call 303-651-8495.

Hike Registration for September-October hikes will be completed via our new e-lottery. Fall hike submission sheets can be turned in to our front desk from **August 6-20**, with communication to follow to registered/waitlisted hikers by the end of the day on **Friday, August 23** via email. You can register online or over the phone beginning on August 26th.

FROM THE FRIENDS

2024 Friends Board Members:

Dear Friends,

In 1976 nearly 200 seniors approached the City Council of Longmont and asked them “to create an organization to better serve the City’s 55+ population”. That partnership created the Longmont Senior Center (LSC) which has grown and evolved into one of the most diverse, committed and supportive senior organizations in Colorado as well as across the Country.

The Longmont Senior Center provides programs and services that focus on wellness, enrichment and recreational services for the 55+ population of Longmont and surrounding areas. Thousands of people come through our doors each month and we are unique in the number and the diversity of the services that we provide.

Friends of the Longmont Senior Center is a registered 501(c)(3) non-profit corporation whose stated purpose is to “foster interest in and promote the activities of the Longmont Senior Center; to raise, receive, or otherwise acquire revenues and gifts which are to be used in a manner which will facilitate...the Longmont Senior Center.”

The Aging in Boulder County Past, Present, Future Report September 2019 stated that: “Between 2020 and 2050, the county’s overall population increase is projected to be 33%...while the older adult population’s projected increase is 58% and the 80+ population increase is 244%.”

The Senior Center and the Friends continue to maintain a supportive environment that strives to keep our senior population engaged and vital. See **the GO** where we currently list a rich and varied number of recreational and social activities for our seniors such as trips, crafts, exercise programs, cultural enrichment and classes on computer skills to name just a few.

The Senior Center and Friends also provide various social and support services through the Senior Services Resource Staff who assist with locating and accessing housing and in-home care, navigating systems like Medicaid and/or Social Security, and applying for financial support. Our Senior

Services Counseling Staff coordinates and facilitates a number of support groups, manages dementia-friendly programs as well as support to a variety of caregivers while our Peer Support volunteers are trained to provide all manner of support for seniors. Finally, 3 million meals have been served through Longmont’s Meals on Wheels program since 1954!

Let’s continue to support the 1976 vision “to create an organization to better serve the City’s 55+ population”. Let’s continue to support the Longmont Senior Center and the Friends of the Longmont Senior Center as we all continue to better serve Longmont’s 55+ population.

- Answer the call to adventure
- Cross the threshold of the known into the unknown
- Meet one's mentors, allies, and encounter tests, foes, and challenges
- Face setbacks, confront dragons, and
- Go through a transformation where a new self emerges

As we venture through the stages of the Hero's Journey as outlined by Campbell, the Hero's Journey course will give you a new way to understand, and articulate your journey as an Older Adult. Through guided self-reflection questions and weekly discussions this course will give you the opportunity to:

- Learn what is expected and required on the journey
- Befriend your Inner Hero
- Integrate a new narrative into your experience
- Meet people who are on similar journeys and develop support and connection

How to Be a Savvy Patient

Registration #485116-06

Date: Friday, October 11

Time: 10 - 11:30 am

Cost: Free, please register in advance

Registration Deadline: October 4

You struggle to remember major appointments or where you left your wallet every day. This worries you, but others shrug it off as "senior moments." At your doctor's office, you wonder why your vision is blurred or if your heart medication causes fatigue, which was never explained to you. The doctor blames all your symptoms on getting older. They speak slowly, as if they were talking to a child. It might seem like it's all in your head, but ageism - discrimination based on a person's age - is a very real, overlooked barrier to good health. About 20% of people over 50 face age-based discrimination in healthcare, according to U.S. National Health and Retirement data. It can contribute to cognitive decline, more hospital stays, disability, worse health and quality of life, and depression. Over the long term, these attitudes shorten lives. Peer Support volunteers, **Lois Ellison, MS, LPN**, and **Dr. Traci Shahan, WHNP-BC, CNS**, share how to get the most out of your medical visits - from learning your rights as a patient, understanding medical lingo, and de-bunking common assumptions about aging.

Adventure Hikes

Come enjoy the spectacular views of Colorado's Front Range in a variety of hiking destinations and elevations. **Please take heed of the difficulty rating of each hike to determine whether your physical ability level is an appropriate match for each excursion.** Our experienced hike leaders have researched and rated the difficulty level of each hike on the graph below. **Safety is our highest priority, and we expect the participants of our hiking groups to follow the Hike Leaders' directions.**

**If a location needs to change due to unforeseen circumstances (trail conditions, weather, etc.) the Senior Center Hiking Trip Leaders will choose a trail of an equal or less difficult rating.*

Hike ratings based on the most difficult factor - for example, a short 3-mile hike may be rated difficult if it is at a high elevation.

	Easy	Moderate	Difficult
Elevation	8500' or less	8501'-10,000'	10,000+'
Gain	Minimal – 400'	401' – 500'	501+'
Distance	3 – 4 mi	3 – 6 mi	4+ mi
Pace	All hikers stay with the group. The group stops approx. every 20-30 min and at all trail junctions.		

For the safety and enjoyment of everyone in the group, it is your responsibility to come prepared for these hiking adventures. **If you come un-prepared for the hike, you may have to stay back and give up your seat.**
