## GETTING INVOLVED: PARTICIPATION & REGISTRATION INFORMATION

### Welcome to The Longmont Senior Center and Longmont Senior Services

Many new and some repeated activities, events, trips, and services are offered each quarter. Many activities require registration and a fee to be paid. You will see a Registration # listed with the activity and these are in various sections throughout the catalog. Resources and Supportive Services are detailed in the Resource Guide located in the center of each catalog. Registration kickoff dates and information are located below.

#### PARTICIPATION IN GENERAL:

- **There is no membership fee** to participate in activities or receive services from the Division of Senior Services.
- **Adults 55+ are first priority**; however, people under 55 may participate in certain activities if space is available and/or in certain circumstances. Contact the front desk for details.
- **Caregivers of older adults** are welcome to attend programs in order to provide assistance to someone. In that case, please inform our front desk when the care recipient registers. If a caregiver wishes to participate in the program him/herself, then the caregiver should also register and pay for the program.
- **Wait Lists:** Wait Lists are maintained for activities requiring registration. Staff process all cancellations and waitlisted participants are given first priority to fill openings. If the activity is occurring the next day or next business day, staff process the waitlist quickly and cannot wait for call backs.
- **Special Requests & Reasonable Accommodations:**
  - **Senior Services activities** are geared toward independent adults who are able to manage their own care, decision making, and safety. Staff and leaders cannot provide supervision of individuals.
  - Please note that personal or individual listening devices are available for activities occurring in the Senior Center, including telecoil neck loops.
  - **DISABILITY ACCOMMODATIONS:** In compliance with the Americans with Disabilities Act (ADA), we will do our best to make reasonable accommodations to ensure our activities are accessible for the widest range of participants. Please be specific with the accommodation you need. Please let us know at the time of registration or prior to your planned participation in a program that does not require registration. The earlier we know, the better we may be able to accommodate your request. Non-ADA requests may be made at the time of registration as well and are considered on a case-by-case basis. We try our best to accommodate each request received; however, please note that requests are not guaranteed.

Each quarter, two specific registration kickoff dates are set; the first date is for classes, sports, outdoor, and special events, and the second date is for trips. Registration continues after the kickoff dates. You may register at the front desk, Monday – Friday, 8:00 am – 5:00 pm or over the phone with a credit card by calling 303-651-8411. Online registration is an option for most activities at [www.longmontcolorado.gov](http://www.longmontcolorado.gov) after the quarterly kickoff dates and times and when lottery trip registration is concluded.

**See Page 1 for Registration date information.**

**Registration Numbers** – Each activity that requires registration in advance and/or has a fee attached will have a unique registration number listed.

**Payment may be made by credit card, cash, check, gift certificates, and/or Senior Center scholarship.** Full payment is required at the time of registration.

**Receipts** may contain additional information. Please review and retain for reference.

**Resident/Non-resident/Non-senior Fees:** First price listed is for those living within the City of Longmont boundaries as required by Municipal Code, the second price is for those whose residence is outside the city boundary and for those under 55 years of age.

**Program/Activity Refunds** The Longmont Senior Services Center aims to provide customers with complete program satisfaction. We understand that from time-to-time scheduling changes and special circumstances require customers to cancel or change their planned activities. In an effort to maximize space in each offered activity, we have established the following refund policies. Please review them carefully prior to enrolling for a class or program. Thank you for your interest in our offerings and we look forward to providing our customers with an enjoyable recreation experience.

**If the Longmont Senior Center Cancels a Class or Program** Full refunds are made for any program/activity canceled by the Longmont Senior Center before the starting date. A refund will be provided as account credit in RecTrac to be utilized toward a future offering of the customer's choice, and all refunds will be provided within 2-4 weeks of the class cancellation. Please note: Refunds for class cancellations due to weather or other unforeseen circumstances will be handled on a case-by-case basis and may include class credits, coupons, class extensions, and/or re-scheduling.

**If a Customer Withdraws from a Class/Activity**

If customers need to withdraw from an offering, please let our team know as soon as possible by contacting our Front Desk at 303.651.8411. This will allow for an additional space for someone else to register from our waitlist.

**Refunds/Account Credit will be Provided Based on the Following Situations:****Cancellation request is made prior to the designated registration deadline.**

- Full refund/credit will be provided to the payer's RecTrac account.

**Cancellation request is made after the registration deadline but prior to the first/scheduled meeting date for the activity or program.**

- 50% refund/credit will be provided to payer's RecTrac account.

**Cancellation request is made after or on the activity or program start date.**

- No refund/credit will be provided.
- Prorated refunds may be provided after the start/scheduled date of an offering if participant is unable to attend due to an unplanned medical or life event. Please contact our team as soon as possible under these circumstances.

**No Show Policy** Due to the popularity of our offerings, customers not showing up ("no-show") for a class or program they have registered for takes a space away from someone else and will be counted as a no show. No-show registrations will not be provided refunds or account credit. Additionally, 3 no-shows in a calendar year (January 1-December 31, annually) will result in registration suspension for 4-months, and the customer will not be able to register for any offerings during their suspension timeframe.

**Additional Considerations**

- A 10% transaction fee will be applied when payer requests a refund via check.
- The Longmont Senior Center is unable to provide cash refunds. For programs or activities purchased in cash a refund to the payer's RecTrac account or check will be provided.
- Refunds are not provided for merchandise that have already been given to the customer or specifically ordered for he/she/them.
- Please note that not all offerings are eligible for refunds.
- Programs or activities costing less than \$10 will be refunded to the payer's account for credit toward a future program.
- Some offerings may have specific refund policies that may require additional refund fees or earlier cancellation schedules.
- The City of Longmont and Longmont Senior Services Center reserve the right to change refund policies at any time.
- Please note if space allows beyond designated registration deadlines additional late registrants may be considered. Please contact our Front Desk at 303-651-8411 for questions or to register.

**Trip Registration Lottery** Our trips are extremely popular and to ensure both equity as well as functionality, trip registration is performed via an e-lottery. Submit your trip registration preference sheet to our front desk. You will be entered into the lottery for trips requested and receive a receipt confirming your submission. Be sure to note if you are travelling with a companion and include this companion's phone number on your registration sheet. 1 companion allowed per registrant.

At the completion of the submission window, our registration software will perform a lottery for each designated trip on December 18. Trip registrants will be emailed on December 20 identifying which trips they received, and which they are waitlisted for. If you do not utilize email, please call or stop by our front desk after December 23 to acquire information on which trips you have received and which you are waitlisted for. *Payments for January/February trips are due January 10, with payment for March/April trips due by March 1.*

**Modes of transit:** minibuses, RTD buses, and coach buses are used and depend upon cost, size of group, and time and distance traveled, as well as availability of buses. We always try to be cost efficient and comfort oriented.

**For special accommodations for wheelchair or scooters and service animal on a trip,** advance notice is necessary. Please contact the front desk 303-651-8411.

**Departure times are definite.** We do not wait for participants past the designated departure time either from the Senior Center or from the venue.

**Return times are approximate.** We do our best to determine time; however, we never know when delays may occur.

**Bus seat assignments** are made at the time of check-in. Participants draw a seat number for shared seating (yourself and travel companion). These assigned seats are used going to and from the trip destination. For extended trips, you will draw new seats each day. We try our best to accommodate received seating requests; however, please note that requests are not guaranteed due to the high volume of our participants.

**Cancellations** must be received by the dates printed in **The GO** if a full credit or refund is to be given. After that date, a partial credit or refund may be issued only if the spot is resold. Cancellations must be processed through Senior Services. When possible, the staff will attempt to resell your spot to a person on the waiting list, or if it is last minute and the Senior Center is closed, you may give your ticket to a person of your choice. Please call 303-651-8411 if you do so.

**Pickup and return Location: Lashley Street Station; 1200 Lashley St. (unless otherwise specified at trip registration).** Please park your vehicle in the center aisle closest to the north end of the parking lot. Check-in will take place in the White Oak/Sunflower rooms, with doors opening at the designated check-in time. If accommodations are needed due to public or scheduled transportation, please call 303-651-8495.

**Winter Spring Snowshoe Hike** Registration (Feb-Mar) and **AAIR and Adventure** Registration (Apr) will be completed via our e-lottery. **Winter/Spring Snowshoe and Hike with a Naturalist** submission sheets can be turned in to our front desk from December 30 - January 10, with communication to follow to registered/waitlisted hikers by the end of the day on Wednesday, January 15 via email. You can register online or over the phone beginning on January 27. **AAIR and Adventure Hike** Registration e-lottery submission will run March 3 - 14, with communication to follow on hikes received via email by March 19.

Dear Friends,

Globally communities are experiencing an explosion in their 60+ populations. For strategic planning purposes, Boulder County Area Agency on Aging (AAA) began looking at how to address the needs of Boulder County's growing senior population as far back as 2010 when it conducted the first Community Assessment Survey of Older Adults (CASOA). The AAA followed the 2010 report with surveys in 2014, 2018 and most recently in 2024, with its recent projections that the 60+ population is expected to grow by 58% and the 80+ population is expected to grow by 244% by 2050. The June 2024 Aging Well in Boulder County report contains an amazing amount of relevant information about seniors in Boulder County and the City of Longmont (copies available at the Longmont Senior Center).

The good news is, of the seniors surveyed, 87% felt Longmont was an excellent/good place to live and 90% felt that the quality of life in Longmont was excellent/good. We believe the Longmont Senior Center contributes to that high rating. For nearly 50 years, the Longmont Senior Center has been a trusted place for activities, resources and support for seniors and those caring for older adults. And for most of that time, the Friends of the Longmont Senior Center has partnered with the Longmont Senior Center to enhance its ability to promote dignity, wellness, independence, enjoyment, community and a sense of purpose for Longmont older adults.

In 2023 more than 88,000 guests passed through our doors to enjoy the benefits of that partnership and specifically to take advantage of the funds provided directly by the Friends to the Longmont Senior Center. Over the years, the Friends has supported facility expansions, a variety of recreation and social programs, the creation of new programs, scholarships for exercise, wellness and other activities, short term staffing to initiate and temporarily maintain programs until sustainable funding was secured, and helped establish the Last Resort Fund – the place to go for help when there's nowhere else to go.

This Fall, the Friends will launch its annual fundraising campaign. If you are a current Friends donor, please watch for that letter to arrive soon. If you are a first time donor, you can complete a Friends of the Longmont Senior Center donation envelope that you will find at the front desk, or make an online donation by visiting [www.FriendsLongmont.org/donate](http://www.FriendsLongmont.org/donate). With your support, we can continue to create more opportunities for Longmont seniors!

## Book Club - Travelers to Unimaginable Lands: Stories of Dementia, the Caregiver, and the Human Brain

**Dates:** Wednesdays, March 12, 26, April 9, 23

**Time:** 10 - 11 am

**Cost:** \$18 resident, \$21 non-resident

**Registration Deadline:** March 5

Inspired by Dasha Kiper's experience as a caregiver and counselor and informed by a breadth of cognitive and neurological research, *Travelers to Unimaginable Lands* dispels the myth of the perfect caregiver.

In these compassionate, nonjudgmental stories of parents and children, husbands and wives, contending with dementia disorders, Kiper explores the existential dilemmas created by this disease: a man believes his wife is an impostor; a woman's imaginary friendships with famous authors drive a wedge between her and her devoted husband; another woman's childhood trauma emerges to torment her son; a man's sudden, intense Catholic piety provokes his wife.

Kiper explains why the caregivers are maddened by these behaviors, mirroring their patients' irrationality, even though they've been told it's the disease at work. By demystifying the neurological obstacles to caregiving, Kiper illuminates the terrible pressure dementia disorders exert on our closest relationships, offering caregivers the perspective they need to be gentler with themselves. Book is provided.

**Robert Meroney** explains the geology of earthquakes, the damage scale, and historic losses in this talk. It begins by looking in detail at the 1923 Kanto earthquake in Tokyo where 144,000 people died. The martial law imposed afterwards is believed by some to have led to the rise of the Japanese military that led to World War II. The tragedy also resulted in the publication of the outstanding Taisho Shinsai Gashu suite of 25 colored wood-block prints that documented the earthquake which are shown in the presentation. Parallels with the Tohoku-Oki Richter 9 earthquake on March 11, 2011 which resulted in the giant tsunami and the failure of the Fukushima nuclear plant are discussed. Finally, the August 22nd, 2011, Richter 7 southern Colorado earthquake is reviewed, and an analysis of the consequences of an earthquake along Colorado fault lines is estimated... a Richter 6.5 near the Rocky Mountain Arsenal would cause \$14.9 billion losses statewide, \$5.6 billion loss in Denver County, and 2,500 casualties.

Esta es la única opción gratuita en persona en Longmont que conocemos en este momento para mayores de 55 años. Además, nuestro personal de Servicios de Apoyo compilará un folleto informativo con opciones adicionales de llenado.

» El programa AARP se centra en personas mayores de 50 años con ingresos bajos a moderados. Las citas entre semana están diseñadas para declaraciones de impuestos simples, como aquellas con ingresos de jubilación; las cuestiones fiscales complejas están más allá del alcance de este servicio. Las citas se abrirán el 21 de enero.

## Snowshoe Outings

**Lottery forms can be turned in December 30 – January 10. Lottery spin and communication will be sent on Monday, January 16.**

This is a great way to enjoy the outdoors, meet people, develop friendships, learn about the surrounding areas, and enjoy the fresh air and exercise! Snowshoe outings are volunteer-led, small-group activities. We emphasize safety first followed immediately by enjoyment. Snowshoeing is a fun group activity but is also a strenuous outdoor exercise.

Each person is responsible for bringing and carrying his/her own equipment (**snowshoes and poles are REQUIRED**) and supplies. Be sure to dress warmly and in layers; wear waterproof pants, boots, and outerwear. Remember to bring along water, snacks, and your lunch. You'll likely be eating on the trail so be prepared. Based on the snow conditions, the destination may change. Refunds are not given for a change of location.

If you are unfamiliar with snowshoeing, equipment, or would like a refresher, we highly recommend our Snowshoe Workshop and the first outing of the season which is designed for Beginner/Entry level participants. Outings get progressively more difficult. The distance traveled each outing is determined by the group's progress and is also based on time and conditions. Two volunteer leaders are on every trip.

Please read our Snowshoe Newsletter, located at the front desk for more information.

## Adventure Hikes

Come enjoy the spectacular views of Colorado's Front Range in a variety of hiking destinations and elevations. **Please take heed of the difficulty rating of each hike to determine whether your physical ability level is an appropriate match for each excursion.** Our experienced hike leaders have researched and rated the difficulty level of each hike on the graph below. **Safety is our highest priority, and we expect the participants of our hiking groups to follow the hike leaders' directions.**

*\*If a location needs to change due to unforeseen circumstances (trail conditions, weather, etc.), the Senior Center hike leaders will choose a trail of an equal or less difficult rating.*

Our adventure hikes will begin at a beginner / lower elevation and exertion and throughout the season gradually increase in elevation and exertion to intermediate and advanced hikes.

Our AAIR hikes will be accessible to all fitness levels and abilities. They will stay at the beginner / lower exertion level throughout the entire hike season. AAIR hikes are a great option for those seeking leisure, individuals with disabilities, or for individuals joining the Longmont Senior Center hike program mid-season.
