

# Request for Termination

Project Name: \_\_\_\_\_

Permit Number: \_\_\_\_\_

Permittee: \_\_\_\_\_

**This serves as a request to the City of Longmont Stormwater Quality Program to conduct a termination inspection for the Stormwater Construction Activity Permit listed above.**

## Certification of Termination

*I certify that all construction activities for the project have been completed, that all disturbed area associated with the project have been stabilized according to the requirements of the City, and all temporary erosion and sediment control measures have been removed. I understand that, by submitting this request for termination, I am requesting to no longer be authorized to discharge stormwater associated with construction activity for this project, and that discharging pollutants in stormwater associated with any further construction activity to the City's storm sewer system or waters of the state is unlawful under Chapter 14.26 of the Municipal Code.*
