Books in a Bag Policy

If you belong to a book discussion group or would like to start one, you're invited to check out our selection of book discussion kit titles provided by the Friends of the Longmont Public Library. Each book bag contains 10 copies of a title selected specifically for book discussions by our librarians along with a 3-ring notebook that includes a sign out sheet (for keeping track of which book has been distributed to each book group member), discussion questions, and information about the author.

Please ask about the Books in a Bag kits at the Reference Desk on the second floor. Kits may be checked out for six weeks to library cardholders. One renewal is allowed.

The person who checks out the kit is responsible for the return of the bag and its contents. Be sure that book club members know to return their books to the person who checked out the book bag and not to the library.

No more than two Book in a Bag kits may be checked out to an individual at one time.

Please check contents of the book bag for all ten copies of the book and the 3-ring notebook in the kit before checking it out.

Book discussion kits must be returned to the Circulation Desk inside the Library. Do not put kits in book drops.

Please check contents of book discussion kits for all ten copies of the book and the 3-ring notebook before you return the kit to the library. The replacement cost of an entire kit is \$142.00. The replacement cost of individual parts of the kit will depend on the cost of each particular item.

Please direct any book discussion kit questions to the Reference Desk at 303-651-8472.
