**Instructions:**

- I have obtained an asbestos test and an air clearance report if asbestos was present.
- I have scheduled with each of the utility providers to disconnect service before the final permit is issued.  
All utilities shall be disconnected a minimum of 24 hours prior to the demolition of the structure.
- No drawings are required for demolition. Provide them if you have them.

**Public Works and Natural Resources - Water / Sewer**

- All accounts must be current, with no back fees.
- Applicant must provide a written request from the building owner authorizing meter removal.
- Applicant must call (303) 651-8416 to schedule the removal of the water meter at least 24 hours before the demolition.
- Once the permit has been issued, schedule the assigned water and sewer lateral inspection if applicable. You can schedule that inspection online at the following website: <https://longmontcolorado.gov/building-inspection/inspection-scheduling/>

**Longmont Power & Communications**

- I have contacted LPC at (303) 651-8386 to schedule electrical service disconnection between 8 am and 5 pm, Monday through Friday.

**Century Link or Comcast/Xfinity**

- I have contacted CenturyLink at (877) 803-8414 to schedule service disconnection between 8 am and 6 pm, Monday through Friday.
- I have contacted Xfinity at 1-800-XFINITY or (800) 266-2278 to schedule service disconnection between 9 am and 7 pm.

**Longmont Fire Department**

- If the applicant wants the building to be used for training by the Fire Department, please contact Battalion Chief Fire Marshall Jason O'Donnell at (303) 651-8426 or [jason.o'donnell@longmontcolorado.gov](mailto:jason.o'donnell@longmontcolorado.gov). Please indicate the type of construction of the building, whether the building is asbestos-free, and what the Fire Dept. is allowed to do.

**Xcel Energy**

- I have contacted Xcel Energy to schedule a service disconnection, and they have removed the gas meter.

**Building Inspection**

- Once the permit has been issued, schedule the assigned building's final inspection once the entire building is demolished. You can schedule that inspection online at the following website: <https://longmontcolorado.gov/building-inspection/inspection-scheduling/>
