Commercial Electric Vehicle Charging Application

Prior to applying for a building permit, any proposed modifications to existing parking facilities must obtain a land use determination from Planning. Complete this application and submit to longmont.planning@longmontcolorado.gov, along with a site plan showing all applicable information, as identified below. Applications will be reviewed by relevant departments, including Planning, Public Works, and LPC. Feedback may be provided regarding necessary changes to proposed designs for technical review under the building permit. When approved, please include this permit with the building permit submittal.
