total prizes received

5,476

combined attendance at our programs (June and July)

400

craft kits given out

5 The library gets its very first **3D printer** and printing service, available to the public for free!

6 **Children and Teen Services Department** focused their outreach efforts to Title 1 elementary schools in our service area, which resulted in increased Summer-Reading participation.

7 The **Library gets a dedicated vehicle** in anticipation of delivering holds and picking up returns from hold pickup locker locations, as well as to assist with Outreach programs and events.

8 Staff entryways and elevator were updated with **badge-entry access readers**, to increase security of staff-only areas of the library.

9 **Teen Limited Use card** now available to increase access for teenager.

10 **Fewer fees:** Replacement fees will not be assessed for children/teen materials checked out to children/teen cards.

Representatives from each department brought back the Library's internal newsletter, newly named "**The Library Ledger,**" in order to improve cross-departmental communication and share achievements and news.
