Colorado Book Club Resource

Mission

The mission of Colorado Book Club Resource is to provide our patrons access to book club kits from the Colorado State Library Resources catalog.

Access

Colorado Book Club Resource kits are available to all patrons with a Longmont Resident Adult card. Non-Resident Adult, Limited Use, computer use accounts, or accounts with other libraries are not permitted to order kits through the Longmont Public Library. An account in good standing is necessary to use the Colorado Book Club Resource. No account with a balance of more than $10 can use this service.

To place book kit requests, patrons may choose any of the following methods:

- Speak with Reference Librarians in person at the Adult Services Reference Desk.
- Submit a request online on our website.

Cost

There is no charge to order Colorado Book Club Resource kits, except in the following cases:

- If a book kit is damaged or lost, the requesting patron will be charged the replacement fine as set by the lending library.

Due to physical limitations of available staff time, there is a limit of 10 Colorado Book Club Resource kit requests per patron per year, regardless of whether they are filled or not.

No more than two Book in a Bag kits may be checked out to an individual at one time.

LPL does not “hold” unsuccessful Colorado Book Club Resource kit requests to be resubmitted at a later date. If for any reason a request is not filled and the requesting patron would like to re-request the item, the patron must resubmit their request at a later date.

Checking Out

The lending library sets the due date, and they decide whether renewals are allowed. If a requesting patron would like to renew an item, we ask that they contact AskALibrarian or 303-651-8772 and make this request at least one week before the due date to give the lender time to respond.

If a Colorado Book Club Resource kit is returned with missing or damaged pieces, the patron is responsible for all fees.

There are no late fines for Colorado Book Club Resource Kits.

If an item is more than three weeks late, it will be considered lost. Fines for the lost items will be removed from the patron's account once returned.

Colorado Book Club Resource kits will be held at the Circulation Desk for a period of seven days. If the item has not been picked up within seven days, staff will attempt to contact the patron to notify them about their item. The item will be held for seven more days before it is sent back to the lending library. It is the patron's responsibility to ensure LPL has correct contact information to be notified upon the arrival of a requested item.

Colorado Book Club Resource kits must be returned to the Circulation Desk. Do NOT place kits in book drops.
